SECTION C - DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

C-6 SCOPE OF WORK

The successful contractor shall assemble and deliver 380 each, T150F suspension modification component sets to support application of T150F track within the Army's Counter Attack Corps.

The kit components consist of sprockets, adapters, associated hardware, and documentation. The Government's requested delivery schedule is specified within Section B of this request for proposal.

The contractor will assemble and package the track on wooden skids in 63 and 64 shoe strands. The contractor will mark each strand with the correct number of shoes in each strand or otherwise identify the stand as left (P/N: 12474844-2) or right (P/N: 12474844-3). The contractor will also overpack along with the track strands, a separate wooden container containing the other kit components. The contractor will manufacture this container to the best industry standards to protect these kit components from inclement weather. Please refer to the packaging data requirements for further guidance.

The Government may also request, at its discretion, offeror submission of detailed pricing data. Guidelines for submission of this pricing data, if required, is outlined in Section L, Clause L-11 (b) and Section M, Clause M-9.
